OWN A CHAMPION CAR

It's only human for a mon to feel proud of his possessions. To own something which everyone else menginises as supremely desirable helps mightily to make life better worth living.

Ownership of a motor car confers a destinction of this sort. But the destinction is infinitely greater when thus has class, reporation, history,

To own a Champion Motor Car should be the aim of every wise buyer.

It's pleasant to know that a champion motor car is not necessarily an expensive one. You can buy an E.M.F. "30" four door 5 passenger car for \$1100 or a Flanders "20" four door 5 passenger for \$800.

Each is the champion of its class.

The motoring world is still ringing with the marvelous feat of the three E-M-F "30" cars that finished one, two three in the Tiedman Trophy race at Savannah—the biggest event of the year for the cars of that class. 47 The setting of nine new world's marks for the smaller class by the Flanders "20" at Indianapolis is a speed feat unique in the season's records, 9 You and your friends have heard time and again of the triumphs these cars have scored on road track and hill. Among cars of popular price all over the world they stand supreme in speed, strength, safety and stamins. I More convincing still is the satisfactory service

To the Stock Men, Wool Growers and Farmers of Pocahontas and Adjoining Counties:

TATE want to state a few reasonable reasons why you should sell your wool and lambs to VV the Marlinton Meat Company. A statement that cannot be backed by reasons is like a ship without motive power. It will not go very far these practical days

We are here in the field and are recognized as perfectly responsible by the largest farmers, business men and financial concerns in the tomaty. We have faithfully fulfilled every promise and obligation that we have made. We have paid in cash more money to the farmers then may other man or concern in the county or that does business in the county. We at all times pay the best prices for the products that we bundle, and pay it in spot cash which gives us the reputation of being the best paymasters in the county. Our every act has been watched by keen conservative business men, and we challenge criticism notwithstanding the fact, that some decogniory statements have been made by perry jealous individuals who will tell you if you don't give him the chance to skin you the other fellow will. We have no axe to grind; cars is sharp and we will hew to the line.

We say that we are in better position to handle your wool and lambs than any other parties in the county. This firm will make no deal with you that we will not fulfill to the dot. We are proud of our record and will maintain it in every respect. Talk it over with your neighbors; they will give you additional reasons why you should come in and talk it over Respectfully, with us.
